

FOR IMMEDIATE RELEASE

ORR PARTNERS ENGAGED BY ST. ALBANS

Reston, VA (April 11, 2014) – St. Albans School selected Orr Partners to manage the renovation and expansion of its athletic fields and supporting facilities. This expansion will provide the school's athletes with improved facilities and additional access to practice fields. The field access for practice will double as a result of this project. With the construction of a six-lane regulation track, St. Albans will be able to host track meets for the first time in over 30 years.

The improvements include:

- A multi-sport turf field with 600 seats for spectators
- A six-lane regulation track
- Three practice fields
- A regulation baseball field with seating for 150 spectators
- Seven tennis courts
- A tennis pavilion with locker rooms
- Athletic storage space and a concession stand

"We are excited to have been selected for this exciting and challenging project," commented Scott Siegel, President of Orr Partners. "We appreciate St. Albans' confidence in us and our team." The project will commence immediately with the development of a project plan and pre-construction activities. "A project like this on an active campus will require a significant amount of planning and coordination," stated Matt Armstrong, Senior Project Manager for Orr Partners. "I look forward to working closely with the St. Albans team and delivering a project that will service the St. Albans community for years."
