### Orr Employees Help Prepare Kids for First Day of School

**Reston, VA (August 16, 2018)** – Earlier this month, **Orr Partners** partnered with JK Moving Services to collect backpacks and school supplies for children in need in the Washington, DC metro area. JK and the Capital Chapter of IFMA partnered with Bright Beginnings, Inc. (BBI) to ensure underprivileged children in the DC area will be prepared for the first day of school. Orr Partners' employees immediately rallied for the cause with the collection box overflowing within a week. By the end of the drive, Orr collected enough backpacks and supplies for more than an entire classroom.

"In this affluent area, it's easy to lose ourselves in our own lives and it's great to be able to give back for such a wonderful cause, especially with such an enthusiastic response from the staff at Orr," said Stephanie Moumen, Sr. Project Manager, who suggested Orr participate.
